THIS PRINTOUT IS NOT COLOUR-PROOF!

- Please apply or check original stamping!
- Colour separations, screen ruling, trapping or printing extensions have not been inserted in this file. If they have, they need to be checked!
- The file must be adjusted to the printer requirements.
- DJERMESTER GmbH is not liable for any orthographic errors in the text, for possible infringements of competition or copyright law, of trademark law and the possible subsequent damages arising from them.
- Please check this printing template according to the legal contents and the technical requirements and proofread the whole text.
- The final colour matching must be done with the client!
- Please check the RZ data carefully!
- The EAN code is only a placeholder and must be generated again, since we bear no responsibility for the readability.
